## The Postoffice Sewer.

Now that the postoffice building is being enlarged and modernized, the government officials are again considering the advisability of abandoning the collateral sewer on St. Asaph street which enters the city sewer at Wilkes street, and constructing a larger and more satisfactory one from the postoffice building to King street. About seven years ago, it will be remembered, the present sewer running south on St. Asaph street became clogged and considerable trouble was occasioned to all who had tapped it, as well as to the postoffice people. At that time the government petitioned Council for permission to lay an eight-inch sewer north on St. Asaph street to King street. Council refused to grant the permission, but offered to pay the excess in cost from an eight-inch to a twelve-inch sewer, the city to own the same and keep it in order. The government rejected the proposition, its representatives urging the necessity of owning the sewer. The Council took the ground that should it become necessary at any future time to place a public sewer on St. Asaph street from Prince to King the private sewer of the government would occasion trouble. The government would not further opture and continued to use the old sewer. Now, it seems, there is a disposition to accept the city's offer of seven years ago. Should this be done a twelve-inch sewer will be constructed on the square, two-thirds of the cost of which will be done by the government. Residents of St. Asaph street south of Prince who have

tapped the old sewer will then be called upon to pay for the privilege they enjoy, as the conduit will be turned over to the city and the cost of maintaining the same will be at the expense of the corporation.

## Lawn Party.

The lawn party at the Confederate building on Prince street last night was a very pleasant and successful affair. A large crowd was present, and all were much pleased with their evening's experience. An interesting programme had been prepared which was well rendered. It was as follows.

Instrumental Duet, Mrs. Barker and Mr. Starnell; Vocal Solo (in German), Mr. Emmert; Vocal Duet, "Alice, Where Art Thou?" Mrs. Ballenger and Mr. Hicks; Recitations, The Conquered Banner, Sword of Lee, Miss Josephine Harlowe, duet twice. Intermission. Vocal Duet, Messrs. Ogden and Franklin; Vocal Solo, Mr. Wirt; Instrumental Solo, Mrs. Barker. All of the talent had several encores. The entertainment was highly appreciated and even at a late hour everyone seemed loth to leave. The entertainment was for the benefit of the building fund.

## A Presentiment.

Walter Meeks, the fireman who met death in the railroad accident at Springfield on Tuesday and whose burial took place from his residence in Charlottesville Wednesday afternoon, had a premonition of his death before leaving home on his last run. In conversation with his young wife he said that he believed he would be killed, and that he had made up his mind to quit railroad work at the end of the month—just three days off. His wife begged him not to make the trip but to quit at once. She reminded him of the two accidents which had recently occurred and urged him to stay at home. He finally agreed to give up his job after that run. With this promise he left her only to lose his life a few hours later.

## Fined Ten Dollars.

As has been stated in the Gazette, a fight occurred in a room over a saloon in the northwestern section of the city Thursday night during which a negro named Harry Davis ran amuck and used a beer bottle upon George Winfree, a colored individual, and a colored woman named Fannie Lee. Several stitches were taken in Winfree's head and it is said one of the woman's eyeballs was split and it is believed she will lose the sight of the optic. Davis was later arrested by Officers Smith and Sherwood and this morning he was brought before Justice May in the Police Court. He was fined \$10—\$5 for each assault.

## Property Sales.

Mr. S. H. Lunt, sold at auction today for the commissioners of sale a house and lot No. 612 King street, the business place of the late John P. Clarke, to Mr. George W. Starnell for \$3,100.

Also a lot of ground situated on the north side of Duke, between Lee and Fairfax streets, with the dwelling thereon, to Mr. Norman Moore for \$675.

Mr. Samuel H. Lunt has sold to Mrs. Lizzie Lee Newton a two-story brick dwelling house on the east side of Fairfax street, near Cameron.

## Accident to an Alexandrian.

Mr. Charles Bendheim, of this city, who has an office in the Gunton building in Washington, met with a distressing accident yesterday morning. He had occasion to visit his safe, and when closing the door his left thumb was caught between the door and the casing. Part of his thumb was taken off. Mr. Bendheim went to the Emergency Hospital, where his wound was dressed.

## The Ferry Line.

The Washington and Alexandria ferry line is now in successful operation, and the steamer George Washington is making regular trips. The steamer makes the run between the two cities inside of half an hour. The first trip from Washington is at 6:10 a. m., the first trip from this city is at 6:50 a. m.; last trip from Washington at 5:30 p. m., and the last from this city at 6:30 p. m.

## Baseball.

A game of baseball was played on the old fair grounds yesterday evening between the Alexandria Athletics and the Potomacs. The former were victorious by a score of 13 to 7.

The Tunneltown Club and a team from Laurel, Md., will play a game on the fair grounds this evening.

## The Market.

The market this morning was well supplied with produce, an average number of country people buyers being present notwithstanding the rainy conditions. Prices were in most cases well maintained, there being but slight variations from those of last week. Butter was 25c a pound and eggs 20c a dozen.

## Chickens Stolen.

Thieves invaded the premises of Mr. Paul Pulman, at Cameron run, last night and carried off twenty-five chickens. Mr. Pulman notified the police of this city of his loss, and they will keep a lookout for any suspicious individuals who may endeavor to sell fowls at low rates hereabouts.

Coming as it does, in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant remedy in use for this disease is Chamberlain's Colic, Cholera and Diarrhoea Remedy.
